

International Baccalaureate Credit 2024-25

Quick Guide on How IB Units Apply to Eighth College GE's

Only Higher Level Exams are accepted for credit by the University of California; Standard Level Exams are not given credit. Score of 6 or 7 on Standard Level English A exam meets UC Entry Level Writing requirement but no unit credit is granted. The University of California grants 8 quarter units of credit for all International Baccalaureate Higher Level exams on which a student scores 5 or higher and 6 quarter units of credit for the IB Diploma where a student earns a score of 30 or more. For IB exams not listed here, consult an academic adviser. Students should be advised that college courses taken before or after attending UC may duplicate IB examinations. Additionally, exams may duplicate each other (for example, AP and IB exams in the same subject area). If a student does duplicate an exam with another exam of the same subject content, and/or an exam with a college course, credit will be awarded only once.

Courses noted as "elective credit only" in column 3, means that you will get the units for the exam score (as listed in column 1) and you meet any exemption listed in column 2 (if applicable), but the units do not fulfill a specific Eighth College GE requirement.
